RE: "Insurance Lapse Procedure", NOV N87-20-1-2, Star Point Mines, PMC, ACT/007/006, Folders No. 4 and 5, Carbon County, Utah, and NOV N87-20-1-3, Hidden Valley Mine, California Portland Cement, INA/015/007, Emery County, Utah

The above-mentioned NOV'S (see attached) were not issued. At the July 6, 1987, Division inspection meeting, the procedure for handling insurance lapses was outlined:

- 1) Call and notify operator that insurance must be renewed.
- 2) Notify the operator during the telephone call that a current certificate of insurance must be on file by the next regular inspection or an NOV will be issued.
- 3) Call Price field office and inform inspector of issue and status.
- 4) The inspector will then follow-up as required during the next inspection.
